服務摘要

Service Highlights

我們以推動「全人發展，終身學習」為服務的最大使命，透過成龍全人發展中心、CFSC 專業人才培訓中心及學校項目團隊，從不同方位、服務形式，向不同服務對象實踐以上使命。

Our mission is to promote 'Life-Long Learning in Whole Person Development'. Through the coordination of Jackie Chan Whole Person Development Centre, CFSC Professional Talent Training Centre and School Project Team, we provide various services to different target groups to achieve the service goals from different aspects and approaches.

兒童發展的需要

多年來，我們在發掘及培養幼兒學習興趣的工作上不斷努力，透過不同的活動及班組，促進幼兒及兒童發展多元智能，並於 2016 年 2 月開始引入透過親子體操與音樂節奏，讓幼兒學習群體相處及遵守紀律的「Wonder Dance & Baby Gym Playgroup」。

Children Development Needs

Over the years, we strive to cultivate children's interest in learning and promote diversified intellectual development of toddlers and children by various courses and activities. Our 'Wonder Dance & Baby Gym Playgroup' has been helping kids learning community relationships and discipline by interactive parent-child gymnastics with music and rhythm sessions since its introduction in February 2016.

「親子入廚樂」亦加入自理訓練的元素，在 2015 年暑假期間共舉辦了 4 班「入廚家政自理訓練班」，全部額滿；除了讓小朋友懂得食物營養的知識、運用各類基本廚具和製作技巧外，亦希望能從過程中增強兒童滿足感和自理能力，培養獨立性。

'Cooking class for parents and child' involves the training of self-disciplines. In summer 2015, all 4 classes of 'Self-discipline Training for Kids in Kitchen' met zealous responses and were fully engaged. Apart from learning food and nutrition knowledge and using all kinds of kitchen utensils to obtain basic production skills of cooking, the kids may also be able to enhance their self-actualisation, self-discipline and independence.

兒童舞蹈是成龍全人發展中心其中一個重點發展項目，在 2015 年整體成績碩果豐收，同學曾多次與一眾香港知名的舞蹈團體同台演出，並獲邀出席「2015 渣打藝趣嘉年華」作表演，更於「第 12 屆《德藝雙馨》香港區賽」幼兒組西方舞群舞及香港國際文藝交流協會「第八屆舞動香江大賽」中勇奪冠軍。

Dancing is one of the key development projects of Jackie Chan Whole Person Development Centre. Outstanding accomplishment has achieved in 2015, where the students went on the stage with other outstanding dancers and was invited to perform at the 'Standard Chartered Arts in the Park Mardi Gras 2015'. They had also won the Champion in the '12th Annual China Artist Association HKSAR division' and the '8th Let's Dance in HK' of Hong Kong International Exchange of Artist & Culture Association.

We also provide a variety of adult health and fitness courses to release stress and reduce all kinds of pain in the populations, such as Funky Dance and Yogilates.

學校·家庭·社區的協作

學校、家庭及社區三方協作是有效發展青少年的模式，學校項目團隊自 2011 年起為全港超過 250 間中、小學及幼稚園提供不同類型的服務，包括新來港兒童服務、特殊學習需要小組、課後功課輔導、課後興趣班小組等。去年更為多間學校提供領袖訓練及個人成長的營會，包括荃灣天主教小學的愛德領袖培訓營及基督教崇真中學精英領袖團隊訓練營，活動深受學生及老師讚賞。

School, Family and Community Collaboration

Collaboration among school, family and community is effective for promoting youth development. The School Project Team has served over 250 kindergartens, primary and secondary schools since 2011 and provided different types of services including new arrivals kids programmes, special learning needs kids programmes, homework guidance and interest classes. Last year, Leadership Training and Personal Growth camps have been organised for primary and secondary schools, including elite leadership training camp for Tsuen Wan Catholic Primary School and Tsung Tsin Christian Academy. Positive feedback were received from both the students and teachers.
